**The most serious charge which can be brought against
New England is not Puritanism, but February....
Spring is too far away to comfort even by anticipation,
and winter long ago lost the charm of novelty. This is
the very
three a.m. of the calendar.**

Limited Spaces Available! Come Paint an Aurora Scene with Obrianna Cornelius!

Local artist Obrianna Cornelius is coming to the library on Saturday, February 14th for a "paint afternoon" event from 2-4PM. She is currently working up a beautiful aurora scene that we'll share on Facebook when it's ready, but you know it will be fun to paint!

Obrianna will lead up to twelve participants through painting their very own aurora spectacle. All equipment will be provided, and Obrianna welcomes participants 12 and older. Since this workshop is limited to no more than 12 participants, please call, email or stop by the library to register *before* February 12th. There is no fee to participate.

Come Make a Winter Wonderland Snowglobe Scene with Miss Hanna!

Join Hanna Bouchard of Northern Light on the third Tuesday of every month as she brings fun craft ideas to share with everyone! This month, create your own Winter Wonderland scene with a paper snow globe, complete with fake snow, and your choice of design – perhaps snowmen or snowflakes. Miss Hanna will be crafting in the Warren Room from 3-4PM on Tuesday, February 17th.
